

DARCO® BLUE MED-SURG™ SHOE

Post Operative Shoe

"The Darco blue round toe shoe with semi rigid sole is the most popular post op. shoe in the world, often imitated, never duplicated."

Special Features:

- *MetaShank™ construction effectively immobilizes the metatarsal region, protecting surgical corrections*
- *Narrow reinforced heel counter*
- *Two velcro straps are easily adjusted for patient comfort and can accommodate bulky dressings and bandages*
- *Low profile, light and durable. Soft material provides the ultimate patient comfort*

Product Patent 4,677,767
